Spotlight

From Victim to Survivor to Thriver:

Finding inspiration during hardship is a difficult task.

Everyone can learn from those who have gone before us.

Spotlight hopes to introduce you to individuals that have followed a path from victim to survivor to thriver.

MOVA would like to highlight those who have prevailed through great adversity. Their stories impact our lives in immeasurable ways. With **Spotlight**, we offer a chance to thank a survivor and inspire others.

The path to thriver has many obstacles and victories. Let us help celebrate the big and small moments of triumph.

MOVA will feature **Spotlight** experiences on MOVA's website as a tribute to those who have persevered.
